Dear IRENE DUFFY,

Congratulations! The EQUUS 4-H has been approved as a host organization for the Open Event Incentive Program of the Arabian Horse Association. This means that program members will be able to earn points at your open shows, earning prizes for themselves and a permanent show record for their Arabian and Half-Arabian horses. The only thing we ask of you is to retain show records for one year so that we may verify a horse and rider's placement if necessary. Your organization and link may be viewed at:
<http://www.arabianhorses.org/activities/incentiveprograms/OEIPHostOrganizations.asp?orgType=local> .

Take advantage of the AHA Events Bulletin Board to post any upcoming shows free of charge at http://www.arabianhorses.org/competitions/Bulletin/bulletin_board.asp?Action=first . If you are interested in receiving the "OEIP Official Host" logo for addition on your website, show programs or classlists, please either fax or email back a signed copy of the attached Link Logo Use Agreement.

We look forward to your continued involvement in the Open Event Incentive Program.

Sincerely,

Arabian Horse Association
